(423 Main St. S.,  
Stillwater)  
Thursday, August 11th  
7:00 p.m.  
\$3 suggested donation

**Extending the LINK (ETL)** is a student-run, non-profit documentary team comprised of students from the College of St. Benedict and St. John's University. The newest film from ETL examines human trafficking in South Asia, and the organizations which are working to rehabilitate the victims through skills training, such as knitting, in an effort to put an end to the practice.
