Darn Knit Link Neck Cozy

By Carly Stipe

What does one skein of
Link and US35 needles
get you? A super cute
neck cozy!

Instructions

CO 8 with knitted cast on.

Row 1: P back loop

Row 2: K back loop

Repeat row 1 and 2 until 1 yard
of yarn remains

Bind off through back loop

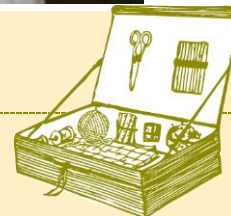

Weave in ends (easier said than
done with that crazy yarn)

Use a shawl pin or better yet,
sew on a cool wood button about
3" in one corner. Poke it
through any of the stitches!

Cute and cozy!
