12 in 12 – 2013

So, you've seen all 12 sweaters and you love one of the sweaters. You think you want to participate...what happens next?

Say you love September's sweater and want to start knitting it now, even though it isn't September yet. That's great! Just come on in and purchase some yarn (you'll get 20% off) and you can start knitting. You can take as long as you want to knit it. Whether you finish it or not, just because you purchased yarn for the sweater you'll be entered into a drawing at our big 12 in 12 party in December of 2013!

That is one simple way to play. No pressure, just get a discount on yarn!

Say you love September's sweater and want to challenge yourself. If that is the case, you can come in and get the yarn anytime at 20% off. The catch is that you need to knit that sweater in September and only September. Also, you need to bring in the finished sweater to us by the end of September to prove that you have finished it! If you do that, you'll get a \$10 gift card to use as you like in the shop! It's a great incentive right?

A few other points to note:

1. You do not have to participate in all 12 sweaters. Pick and choose.
2. You must purchase yarn at Darn Knit Anyway specifically for that sweater. You'll get 20% off yarn and patterns. Needles or notions cannot be discounted.
3. Special orders are ok, but we cannot apply the 20% discount to special ordered yarns. You can still participate in the \$10 gift card game and the drawings. Special ordered yarns must be paid for in advance and are non-returnable.
4. If you are knitting it in the month...You must not cast on before the 1st of the month. You are on your honor here people! Also, you must bring the finished sweater to the shop, before the end of the month, and let us take a photo in order to get credit. What does finished mean? Ends woven in...buttons sewn on...you know the drill!
