Instructions

Provisionally cast on 72 stitches. Place beginning of round marker and begin knitting in the round with MC.

Set-Up Round with MC: Knit all stitches.

Section 1:

Round 1-4 with CC: Knit all stitches.

Round 5 with MC: K2, *with right needle, pick up the right leg of the 4th stitch below the next stitch on the left needle (it will be a MC stitch). Put that picked-up stitch onto the left needle and knit it. Next, drop the first stitch off the left needle, and let it drop down to MC row, K3. Repeat from * to 1 stitch before marker, K1.

Round 6 with MC: Knit all stitches.

Round 7-10 with CC: Knit all stitches.

Round 11 with MC: *With right needle, pick up the right leg of the 4th stitch below the next stitch on the left needle (it will be a MC stitch). Put that picked-up stitch onto the left needle and knit it. Next, drop the first stitch off the left needle, and let it drop down to MC row, K3. Repeat from * to end of round.

Round 12 with MC: Knit all stitches.

Repeat **Rounds 1-12** until you've knit 10 repeats, or you've used just about 1/2 of your yarn (remaining yarn should weight 100 grams combined or a bit more). End your last repeat having finished Round 11. You won't knit Round 12.

Section 2:

Repeat Section 1, swapping MC and CC. You'll start next round with Round 1 and MC.

Repeat rounds 1 – 12 until you've knit 8 repeats or you have just a few yards left of CC. End your last repeat having finished Round 11.

Remove provisional cast on, placing stitches on spare needle. Graft 72 stitches with kitchener stitch using CC.
