

Seeing is Believing

Designed for the
2024 MN Yarn Shop Hop.

Before you begin

We recommend placing a marker in the 2nd stitch of the 3 stitch increase at the point of the kerchief as this will help you make sure your increases are happening at the center point. Move marker up each row throughout the pattern.

Ch 3 counts as a DC throughout pattern, Do not skip first stitch after Ch 3 as this gives you the 2 DC in the first stitch at the beginning of the row.

You will increase 4 stitches on every row throughout the pattern.
