Just a Blankie

Everything is popping up baby at Darn Knit this summer. Three grandbabies are arriving to our Rockstar Team and it's full-time baby knitting around here.

This is the perfect baby blankie for a new momma. Small, perfect for a stroller or car seat, perfect for a little one to carry around as a lovey too!

Oh, and Berroco Remix is machine washable!
What's not to love?

Instructions

This blanket is knit in the round from the center outward. You can use double pointed needles or a long circular needle and magic loop technique to begin this blanket. Switch to longer circular needles as needed. We knit the entire blanket on a US47 and magic loop technique.

Cast on 8 stitches. Join for working in round, placing BOR marker.

Set Up Round 1: KFB in each stitch (16 stitches)
Set Up Round 2: Knit
Set Up Round 3: Knit
Set up Round 4: Remove BOR marker, K3, replace BOR marker, M5, (K3, PM, M5) x 3, knit to beginning of round.
